

RED RIBBON RE RISE INDIA REAL ESTATE FUND

A multi asset class real estate fund with focus on Western and Northern regions

FUND FACT SHEET

INTRODUCTION

- A multi asset class closed-end fund registered in Luxembourg investing in Indian real estate focusing on the western region (Mumbai, Greater Mumbai and Pune) and the northern region (Delhi and National Capital Region)
- A coming together of German international fund/investment manager and advisor RE RISE GmbH RE RISE GmbH; established French real estate fund advisor, Hamberg Capital SARL; and India-focused investment house, Red Ribbon Fund Management Limited based in Gibraltar
- Target minimum returns:
 - Capital Growth share class IRR: 9%
 - Income share class: 8% yield
- Facilitate social impact through affordable housing and slum redevelopment

INVESTMENT RATIONALE

- Indian real estate market is expected to reach \$1 trillion by 2030, becoming the world's 3rd largest, due to growth in population, urbanisation and industrialisation, which provides depth and scalability for an investor across all asset classes such as retail, commercial, residential etc.
- The passing of the Real Estate (Regulation and Development) Act 2016 (RERA), marked a landmark change in Indian regulation bringing about consolidation, quality and transparency, making it an ideal time to enter the market
- The team believes that investing in the Indian real estate market with an initial focus on the Western and Northern regions especially in Mumbai/MMR and Delhi/NCR is a good entry strategy into India
- Investing directly in real estate projects alongside reputable developers and indirectly in listed equities, will realise a weighted average return commensurate to an appealing risk profile

INVESTMENT STRATEGY

- Co-investment with developers in residential, commercial and mixed use projects
- Co-investment in inner city redevelopment projects
- Investing in listed equities of real estate developers and suppliers to the sector
- Markets:
 - Western Region - Mumbai and Pune
 - Northern Region - Delhi & NCR

INVESTMENT OBJECTIVES

- Medium term - income distribution
- Long term - capital growth
- Develop Grade A, carbon neutral buildings
